

ENTRY FORM

YOUNG ENGINEER

Entries close 5pm 30 March 2023

A young engineer who has a passion for community, thrives on leading others and their work and makes New Zealanders' lives better. The Young Engineer of the Year Award is longstanding and recognises superstar engineers early in their career.

TO BE ENVI.ED

- Demonstrated excellence in the nominee's career to date, including notable achievements, and involvement in any significant projects.
- Dedication to the development of the nominee's career as an engineer, including leadership potential, goal-setting, and positive contribution to their professional community.
- Finalists will be interviewed by the judging panel as part of the judging process and must show great communication skills.

CRITERIA

- Entries are open to individuals
- New Zealand citizen or permanent resident
- A qualified engineer from any of the broad fields
- Aged 31 or younger on 1 July 2022
- Have not been a recipient of the award previously under the Engineering New Zealand or IPENZ awards
- Finalists must be available for an interview with the judging panel
- Does not have to be an Engineering New Zealand member

YOUR ENTRY

Give us the elevator pitch, and make it punchy – why is this individual deserving of the Young Engineer of the Year Award?

500 words

Enter your pitch statement

Describe how the young engineer demonstrated excellence in their career to date

- Summary of a significant project they have been involved with
- The project's contribution to engineering and technology
- The nominee's involvement, including details of their role and level of responsibility in the project
- Examples of leadership whether on a project, with colleagues and/or the wider profession

1000 words

Enter your entry details

How has the nominee engaged with engineering in New Zealand and contributed to their community or other activities outside their employment?

500 words

Enter your entry details

REFEREES

Provide two written references for the nominee, which refer to their achievement as an engineer, leader, and their contribution to the profession or the community. The judges may contact referees for further information, so please provide contact details. You can be a referee as the nominator of this individual.

SUPPORTING MATERIAL

When uploading your entry form, you'll also need to provide some supporting material. Please have this on-hand as you will not be able to save and return to your entry once you start the upload process.

- Photo of the individual (hi-res image under 10MB)
- Up to four supporting files that may assist the judges in assessing your entry (under 10MB per file)
- Up to four supporting links to websites or videos
- Any b-roll footage your organisation has which showcases your entry and could be used for promotional use in relation to the ENVIs – your entry will not be hindered if no footage is submitted
