

ENTRY FORM

ENGINEERING INNOVATION AWARD - PRODUCT

Entries close 5pm 30 March 2023

A breathtakingly clever engineering product or service that has solved an age-old problem or shifted from the 'always done this way' mentality.

TO BE ENVI.ED

- An approach that shows investigation, discovery, creative problem solving and inventiveness.
- Lateral thinking and problem solving – a solution to an identified need or problem, or a new benefit or advantage over existing alternatives.
- Inspiration for future innovators – how has the innovation been made available to the public, and how does it contribute to engineering knowledge?

CRITERIA

- Entries are open to individuals, teams, firms or other groups
- For engineering-based new or improved products or services
- Work substantially completed in New Zealand, by engineers who are New Zealand citizens or permanent residents
- May include work by non-engineers
- Work substantially completed between November 2020 and November 2022
- Do not have to be Engineering New Zealand members
