## ENGINEERING PARTNERSHIP AWARD

Entries close 5pm 30 March 2023

An innovative collaboration that results in a better project outcome or has a significant positive impact to an ethnic group, workforce, customers, community or the environment.

### TO BE ENVI.ED

- Demonstrated collaboration at each stage of the project, that shows a visionary approach to project management.
- Recognition for building and fostering a relationship that has resulted in extraordinary outcomes. The relationship may be between two or more engineering firms or between an engineering firm and another organisation such as a not for profit, iwi or community.
- A project that has drawn on the skills and expertise of each partner to create something they could not have done on their own.
- A partnership that has maximised value to the partners, client or wider community through the combination of skills and expertise of all involved.

### CRITERIA

- Entries are open to teams, firms or other groups
- Work substantially completed in New Zealand, by engineers who are New Zealand citizens or permanent residents
- May include work by non-engineers
- Work substantially completed between November 2020 and November 2022

Do not have to be Engineering New Zealand members [Read the full awards criteria at envis.nz](https://www.envis.nz)
