

# ENTRY FORM

## ENGINEERING IMPACT AWARD

Entries close 5pm 30 March 2023

An engineering project or initiative that has delivered positive social, environmental, cultural and/or economic outcomes to a community, iwi, organisation, the environment, education or New Zealand society.

### TO BE ENVI.ED

- Visionary thinking and ambition, from design to delivery.
- A project or initiative that stands out as a work of significant impact, whether that's through its ambition, purpose, complexity, or contribution to a community.
- Demonstrated social, cultural, environmental and/or economic value to the client or wider community – what needs does the project address, and how is it important in addressing those needs?

### CRITERIA

- Entries are open to individuals, teams, firms or other groups
- Projects, initiatives or products eligible
- Work substantially completed in New Zealand, by engineers who are New Zealand citizens or permanent residents
- May include work by non-engineers
- Work substantially completed between November 2020 and November 2022
- Do not have to be Engineering New Zealand members

## SUPPORTING MATERIAL

When uploading your entry form, you'll also need to provide some supporting material. Please have this on-hand as you will not be able to save and return to your entry once you start the upload process.

- Photo of the individual, team, project or product (hi-res image under 10MB)
- Up to four supporting files that may assist the judges in assessing your entry (under 10MB per file)
- Up to four supporting links to websites or videos
- Any b-roll footage your organisation has which showcases your entry and could be used for promotional use in relation to the ENVI – your entry will not be hindered if no footage is submitted
